state historic site

EDUCATOR GUIDE

Located in the heart of Denison, Eisenhower Birthplace State Historic Site showcases the home where the 34th U.S. President Dwight David “Ike” Eisenhower was born in 1890. Antique furnishings fill the modest frame house, illustrating the working class life of the Eisenhowers. The visitors center celebrates Ike with memorabilia and exhibits featuring his many accomplishments as president and war hero. A larger-than-life statue of the general, landscaped grounds and picnic tables round out the place where everything started for the first Texas-born president.
